FEBRUARY 18, 2002

DEAR MR. HEWITT:

CONFIRMING OUR TELEPHONE CONVERSATION
OF TODAY'S DATE:

I SUFFERED WITH "UGLY TOENAILS" FOR
EIGHT YEARS AS A RESULT OF WEARING A PAIR
OF ILL-FITTING GOLF SHOES.

UPON SEEKING MEDICAL ADVICE, I WAS ADVISED
TO TAKE AN ORAL MEDICATION FOR A PERIOD OF
ONE YEAR (APPROX. COST 750⁰⁰). I COULDN'T
ACCEPT THAT A MEDICATION TAKEN INTERNALLY
WOULD CORRECT AN OUTER SURFACE FUNGUS
INFECTION.

I NOTICED YOUR AD. IN A SENIORS
PUBLICATION FOR EMERY'S FINGER + TOENAIL TONIC.
- ORDERED IT - FOLLOWED THE INSTRUCTIONS AND
WAS AMAZED AT THE IMPROVEMENT IN TWO
WEEKS. HAVE USED IT ABOUT ONCE PER WEEK
FOR THE PAST MONTH WITH GREAT RESULTS -
THE INFECTION IS GONE - AND NEW HEALTHY
GROWTH OF TOENAILS IS HAPPENING.

WHAT A MIRACLE FOR 38⁰⁰.

MANY THANKS

O. M. M.

MISSISSAUGA.
